

TRANSMITTAL SLIP		
28 May 1954 (Date)		
TO: Colonel White		ROOM NO.
BUILDING		
REMARKS:		
<p>The suggestion by the Comptroller in his paragraph 3 is sound, contingent on the availability of funds in either the '53, '54 or '55 appropriations. Inasmuch as the sum involved will probably be around \$1,200,000.00, I believe we could easily absorb this sum from the available balances of the '53 and '54 appropriations, without utilizing the '55 appropriation (subject, of course, to complete liquidation by 30 June 1956.- date '54 lapses).</p> <p>Accordingly, I recommend your concurrence to the Comptroller's memo.</p>
